NORA

THE DARK HUNTER OF HELLROOM

1

Nora, an unruly demon, has defied his superiors one too many times. For the sake of his "education," Nora is sent to live among mortals and enters a bond of servitude with cool-as-ice star student Kazuma Magari. Kazuma is about to learn the ways of the underworld...and Nora will learn more from the "real world" than he ever thought possible!

A Match Made in Hell

When the seal for Nora's form is released he becomes Cerberus, the vicious dog of disaster. But Nora can only use magic when Kazuma grants him permission...and Kazuma doesn't grant permission easily. The Dark Liege wants the two to team up and crack down on renegade demon factions in the human world, but how can they do that if they can't even get along?

Kazunari Kakei

More than anything, I hope to keep drawing a manga that I myself enjoy working on. So it will be great if the people who read this enjoy it too! I draw each page with that wish in mind.

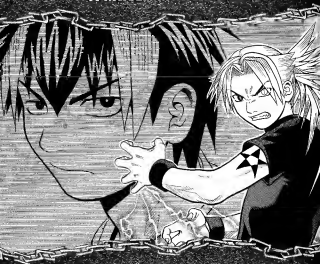

NORA: The Last Chronicle of Devdemon is Kazunari Kakei's first manga series. It debuted in the April 2004 issue of *Monthly Shonen Jump* and eventually spawned a second series, *SUREBRED: NORA the 2nd*, which premiered in *Monthly Shonen Jump's* March 2007 issue.

TO THAT
HUMAN
OVER
THERE.

I'M
NOT
